A black and white photograph of a workshop. In the foreground, a man wearing a dark cap and a dark shirt is operating a lathe. The lathe is a large, industrial machine with a long, horizontal bed. A long, cylindrical workpiece is mounted on the lathe, and the man is using a tool to shape it. In the background, another worker is visible, and the workshop is filled with various tools, equipment, and materials. The overall atmosphere is one of traditional craftsmanship.
